

June 2017

Summer Work Experience Programme 2017

Summer Work Experience Programme 2017 aims at providing Form 4 and Form 5 students with an opportunity to gain an insight into the mental and physical rigours of work. The awareness of these requirements at workplaces will undoubtedly help the students identify their interests, strengths and weaknesses and come up with a better decision with regard to the choice of academic programmes and occupations in future.

If you are interested in joining the programme, please complete the application form and return it to the school office **no later than 7th July (Friday)**.

Remarks:

- (1) Students who join this attachment programme are not required to enter into any contracts with the companies or institutions that collaborate with the school in this programme.
- (2) Each student will receive a subsidy of HK\$60 per day, with a HK\$600 cap for the whole period of attachment.
- (3) Students participating in this job attachment school activity are covered by the EDB's Block Insurance Policy for Aided Schools.
